**The Best and Unmatched Freebies of all time:**

9. [Zero Down Time](#) (carry-in depot only) –

- For our valued customers that heavily rely on their computers for their revenues, we offer a service unit (Shuttle XPC with Pre-Installed Windows XP Professional for portability) and you can use it as soon as you're back at your work place. (available for customers who purchase 8 or more units)

**Save P 12,000/Computer in 2 years(if you have 10, that's P120,000), computation below:**

**P 20 / Hour, 20-Hours Operation per Day.**

If your computer breaks down at least 5 times in 1 year, it normally takes other store 3 Days lead time to return and repair the unit, so that's  $P20.00 \times 20HR \times 3days = P1,200.00 \times 5 \text{ times in 1 Year}$ , so that's  $P 1,200.00 \times 5 = P 6,000.00$ , Qube Offers 2 years Warranty so double it,  $P 6000.00 \times 2yrs = P 12.000.00$ .
